**Ministry of Agriculture and Farmers Welfare**  
**Government of India**

**B-Wing, 2<sup>nd</sup> Floor, Janpath Bhawan,  
Janpath, New Delhi- 110001.**

**National Bee Board (NBB):**

National Bee Board (NBB) was reconstituted/ restructured by the Deptt. of Agriculture, Cooperation and Farmers Welfare, Ministry of Agriculture and Farmers Welfare, Govt. of India under the Chairmanship of Secretary (AC&FW) in June, 2006. The main objective of NBB is overall development of scientific beekeeping in India by popularizing State-of-Art Technologies relating to development of quality nucleus stock & its multiplication by bee breeders, capacity building/ trainings of beekeepers /farmers, production & processing of bee products, etc. and to increase the productivity of crops through pollination and increasing the production of honey & other beehive products for enhancing the income of the farmers/ beekeepers. National Bee Board has formulated a new scheme entitled “**National Beekeeping & Honey Mission (NBHM) which was approved by** Govt. of India for 2 years (2018-19 & 2019-20). **The further continuation of scheme is under active consideration of Govt. of India under “Aatmanirbhar Bharat Announcement”.**

2. The main objective of scheme is overall promotion and development of scientific beekeeping in mission mode to achieve the goal of “**Sweet Revolution**” in the country. There are 3 Mini Missions under NBHM:

**(i) Mini Mission-I:** will concentrate on production & productivity improvements of various crops by promoting adoption of scientific beekeeping by the farmers/ beekeepers. Thrust will be given on setting up of Integrated Beekeeping development Centre (IBDCs)/ CoEs on Beekeeping at district/ division/ state and national level, HRD/ capacity building, empowerment of women through Beekeeping, development of infrastructural facilities, training centres/ institutes, honey testing labs, custom hiring centres, Api-therapy centres, nucleus stock, bee breeders, etc.; **(ii) Mini Mission-II:** will concentrate on post-harvest management of beekeeping/ beehive products, including collection, processing, storage, marketing, value addition, etc. with thrust to develop requisite infrastructural facilities for these activities; and **(iii) Mini Mission-III:** will concentrate on Research & Technology generation for different Regions/ States/ Agro-Climatic and Socio-Economic conditions.

**For PMU under NBHM following technical experts/ consultants on contract basis are required urgently:**

**Name of the Post:** Consultants (4)- One each for Mini Mission-I, II & II and one IT Expert/ Consultant.

Therefore, applications are invited for above mentioned posts. The persons having following qualifications & rich experience in beekeeping, particularly in implementation of the activities highlighted in above mentioned 3 Mini Missions & in IT:
